Dalton, December 20, 1878. EDITOR COURTER:-Ever since our 24 nch snow fell, it has been impossible for invone in this part of the Lord's moral ineyard to stir about more than necessity ompelled us. Yes, sir, the snow was 24 nches deep on a level here, and in some daces deeper. Now, Phyllis says it was only 23 deep with her, but we are not at Il astonished at that for no sensible indiidual would suppose that the Forks would e as cold as other sections, taken the whole as a corporeal sphere.

Mr. J. W. Watkins and family have late moved here. Mr. W. is the successor of Messrs. Rector, as agent, &c., for the St. Overcouts worth \$9 00 sold now for \$5 00 L., K. C. and N. R. R. We have found hinchilla beaver coats worth \$15 00 sold him a pleasant gentleman and hope he will now for \$8 00, at Loeb & Bro's., Salisbury. never regret having made his home

On the evening of the 17th two or three of our young gentlemen attended a dance at the residence of Mr. W. Ford in the Forks. I am authorized to present their compliments and many thanks for the leasure afforded them on that occasion heard too, that Phyllis was there, and one of the boys said that although her pron strings had been spliced by a four oot cord yet it would barely mect.

To fight or not to fight, that's the que on. Some of our young men are disposed o exhibit their pugnacious propensities on the street, and the end of this thing will be smashed smeller before Christmas is over. It is to be hoped that our town authorities will put on a sufficient police force to preent the use of fire-arms during the holi-

A young gentleman from this town at tended a dance a short time since given in fine candies, and toys of every description honor of a young lady's birthday. He had never met her before, and in his soliloquy ty is by far the largest and finest we ever you may distinguish the words "how old

With the New Year come new styles and inven-tions. Fromment smoog these ranks our new Stem Winding Watch, named "Old 15.8." Although here-tofice we have always handled ring after watch of each kind that it was prosable to get, yet it has been imposs ble to rest a low priced watch, with the stem-winding attachment, that could be relied upon for time, and have a finished appearence. This seems to have been accomplished by the inventur of "Old 1573." We need only refer you to the cut given in-connection with this, which is an exact instation of it, and say that it is perfect in every way. The works are covered with a heavy plate gives cap, then this is covered with a licening case. The front or works are covered with a heavy plate gins cap, then this is covered with a hunting case. The front or face is a claim glass cap or crystal ½ of an inch thick, set in a heavy into one-half an inch in width, making it almost impossible in injure the watch. It is fitted especially for Railroad, farm and shop mee, where dust and drit are hable to get in on opening. As the cases it very closely, and being a strata-winder and open dail, it need never be opened. If you never a watch, try this. It is entirely new and nevel, You can rely on it for time. You will be the only one in your neighbar asod having such a watch. It looks exactly like gold and will save its cost in a few years. It save the pay for repairs on an ordinary watch.

We also furnish with the watch, when desired, a chain of the same material, (Pore Allysinian Gold) heavy long floks and elegant seaf chain attached, for 52, so each, or watch and elegant seaf chain attached, for 52, so each, or watch and elegant seaf chain same proce. Will send goods by Express subject to examination, on receipt of h the amount of order, and balance can be paid the Express Company on receipt of package. On goods to be sent BY MAIL the full amount must be sent with order. Send money by Post Office Money Order, Registered Letter, or Iril ton New York or Chicago. We will not send a watch by mail without registering, as it costs but fifty cents to register it, and this insusers its safe delivery.
